

RECYCLING *bins*

▲ CALEDONIAN RECYCLING detail

With the increased need for recycling waste, Furnitubes supply a range of bins with two liners to allow different types of waste to be deposited.

The cast iron Covent Garden recycling litter bin is suited to more traditional areas. Available with highlighting, a cast aluminium recycling plaque and a bronze cigarette stubber.

The **Caledonian** litter bin is constructed from steel and with a powder coated finish it is incredibly durable. Available with a stubber & ash pocket with the option of vinyl graphics & banding.

The steel **President Recycling** litter bin is a popular choice due to its attractive perforated design. Coated in a hard-wearing plastic finish. With graphics on the front of the bin to aid use, and a slam lock facility.

Other colours and options available, please contact sales for more information.
