

How to cultivate inclusive spaces for all.

We place people at the heart of the design process and we are all about bringing people together outside safely. That's why inclusivity is at the forefront of what we do.

In this interactive session, we will take you on a journey through modular design and how to cultivate inclusive spaces for everyone using our modular street furniture solutions.

What you will gain from this CPD

- Understand our approach to inclusive design
- Understand the considerations required for inclusive landscapes
- Understand the benefits of modular products when creating inclusive schemes
