

Factory tour

Ready for your close up?

Visit us for a tour of our Kent-based factory and we will show you where all the magic happens. You may already be aware of our in-house manufacturing capabilities, but this is a great opportunity for you to gain an understanding of our production process, meet the team behind the machinery and see our products fresh off the press.

You need not worry about lunch, we've got you covered.

What you will gain from this session:

- Key understanding of manufacturing robust, long-lasting & aesthetically pleasing Street Furniture
- Manufacturing processes you will explore:
 - Steel laser cutting & turret punching
 - Steel bending, forming & folding
 - Manual & robotic steel welding
 - Steel fabrication
 - Steel pre-treatment & finishes
 - Timber treatments
 - Final street furniture assembly
