

## RIBBON RANGE CYCLE STANDS

### Elegant cycle stands to coordinate with seating

The characteristic delta-shape of Ribbon cycle stands is derived from end profiles of the seating from the same range. Three cycle stands are offered as part of the range - a short version to exactly match the profile of the standard Ribbon bench support and a larger model of more conventional cycle stand scale. All stands are manufactured from 10mm thick solid flat bar section, complete with a standard taper bar to assist the visually impaired, and as in-ground or bolt-down versions.

#### Plastic coating

Hardwearing plastic coating is available in the following colour options:

■ RAL 9005 - Black	■ RAL 6005 - Green
■ RAL 7001 - Grey	■ RAL 1021 - Yellow
■ RAL 9016 - White	■ RAL 3020 - Red
■ RAL 5015 - Blue	■ RAL 8017 - Brown

#### Root fixed versions

Uprights extend 300mm below ground, with a returned end to aid embedment in concrete.

#### Bolt down versions

RIB 515 & 750 have a base plate on each upright & RIB 195 has a single plate. Fixing holes are Ø12.

#### RIBBON

##### RIB515

Galvanised steel, root fixed  
515mm x 625mm a/g x 300mm b/g

##### RIB750

Galvanised steel, root fixed  
750mm x 800mm a/g x 300mm b/g
