

ELEMENTS® PRODUCT SPECIFIER

ELEMENTS STD + XL SEATING

Please use this form to select the specification you require for your Elements seat. Once completed, simply send it to us and we will provide you with a quotation and 3D drawing of the product assembly by return. If you would like to consider more than one option please send multiple forms, or call us to discuss.

Please send completed forms to:
email: sales@furnitubes.com or
fax: **0208 378 3250**

 c/w Scottish cobbles for infill?

* Open Frame supports not available for Elements XL seating

If you have selected armrests, backrests or anti-skate devices, please tick the boxes on the relevant diagram to indicate their positions. Note: anti-skate devices are not required when armrests are used, as the armrest itself generally serves this function. A tablet alone may also discourage skaters.
